

# One Woman Man

George Jones

George Jones & Marty Stuart

If you told me that you love me

I would feel so proud

If you'd let me hold you honey

I'd holler out loud

I'll never love another

Even if I can

Come to me baby I'm a one woman man

Chorus:

Won't you let me baby just a kind of hang around

I'll always love you honey and I'll never let you down

I'll never love another even if I can

Well come to me baby I'm a one woman man

I'd climb the highest mountain

If it reached a bigger sky

To prove that I love you

I'd jump off and fly

I'd even swim the ocean

From shore to shore

To prove that I love you

Just a little bit more

Chorus:

Won't you let me baby just a kind of hang around

I'll always love you honey and I'll never let you down

I'll never love another even if I can

Well come to me baby I'm a one woman man
