

## Run Boy

George Jones

Well, you and your true love have parted  
And you left her all alone  
Don't tell the kids until it's to late  
Just say that the fault was your own.

Run boy as fast as you can  
Back to the one who loves only you  
Tell her you're sorry that you had to part  
And don't break her heart in two.

She needs your love now more than ever  
For she's all alone and blue  
Don't fill her life with sorry and strife  
Go Back and start over anew.

Run boy as fast as you can  
Back to the one who loves only you  
Tell her you're sorry you had to part  
And don't break her heart in two.

Go back in that church, she'll forgive you  
For doubting her love was true  
Don't be ashamed to say your to blame  
Her arms are still yearning for you.

Run boy as fast as you can  
Back to the one who loves only you  
Tell her you're sorry you had to part  
And don't break her heart in two
