

# Where Did the Sunshine Go

George Jones

Where did the sunshine go, why is it raining so  
Where is the love I used to know, where did the sunshine go.  
Where did the sunshine go, why do the cold winds blow  
Where is the one I needed so, where did the sunshine go?

I discovered the sunshine in a woman's loving smile  
Like a fool I thought the sun had come to stay  
Then she fell for another and the sun went out of style  
And the springtime vanished when I went away.

Where did the sunshine go, why is it raining so  
Where is the love I used to know, where did the sunshine go.  
Where did the sunshine go, why do the cold winds blow  
Where is the one I needed so, where did the sunshine go?

Now there's nothing but heartaches in the whole wide lonely earth  
Anyway my blue world looks that way to me  
Gone is all of the sunshine and the smile that gave it birth  
Leaving nothing but a cold cold misery.

Where did the sunshine go, why is it raining so  
Where is the love I used to know, where did the sunshine go.  
Where did the sunshine go, why do the cold winds blow  
Where is the one I needed so, where did the sunshine go?...
