You're Still On My Mind

George Jones

The jukebox is playing A honky tonk song One more I keep saying And then I'll go home

What good would it do me, I know what I'll find An empty bottle of broken hearts And you're still on my mind

The people are laughing And having their fun While I sit here crying Over what you have done

My pockets are empty,
My last drink of wine
An empty bottle of broken hearts
And your still on my mind

Alone and forsaken,
So blue I could die
I just sit here drinking
Till the bottle runs dry

To try and forget you
I turn to the wine
An empty bottle of broken hearts
And your still on my mind...
