I fix my gaze on you
Oh I'm fixing my gaze on you
Oh tell me what am I to do
You won't fix your gaze on me too

I'm fixing my gaze on you
Oh tell me what am I to do
You won't fix your gaze on me too

I fix my gaze on you, oh I fix my gaze on you
Oh tell me what am I to do
You won't fix your gaze on me too
Oh I fix my gaze on you
Oh I fix my gaze on you
Oh tell me what am I to do
You won't fix your gaze on me too

What's to say, I'm in your main
... under, try to stay afloat
You try to leave, I find myself
So naive, don't go, even on the low

I fix my gaze on you, oh I fix my gaze on you
Oh tell me what am I to do
You won't fix your gaze on me too
Oh I fix my gaze on you
Oh I fix my gaze on you
Oh tell me what am I to do
You won't fix your gaze on me too
You won't fix your gaze on me too

Snow falls, hate remains
Caution, ran door
I hide, inside my life, make
You will call, my name
Penny drops and I'm spent
You're here, in that...
Just trying to stay on road

I fix my gaze on you, oh I fix my gaze on you
Oh tell me what am I to do
You won't fix your gaze on me too
Oh I fix my gaze on you
Oh I fix my gaze on you
Oh tell me what am I to do
You won't fix your gaze on me too
You won't fix your gaze on me too
