

We Found Love

George Maple

Yellow diamonds in the light
And we're standing side by side
As your shadow crosses mine
What it takes to come alive
It's the way I'm feeling I just can't deny
So I've gotta let it go

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love

If you want me
If you need me
I'm yours

Shine a light through an open door
Love and life I will divide
Turn away cause I need you more
Feel the heart beat in my mind
It's the way I'm feeling I just can't deny
So I've gotta let it go

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love

If you want me
If you need me
I'm yours
If you want me
If you need me
I'm yours

Yellow diamonds in the light
Now we're standing side by side
As your shadow crosses mine
What it takes to come alive
It's the way I'm feeling I just can't deny
So I've got to let you go
