

I Ain't Lyin'

George McCrae

I ain't lyin'.
I ain't lyin'.
No, no, no, I ain't lyin'.
When I say I need you, babe.
When I say I love you, babe.
You're my dream come true,
And the apple of my eye.
I'll give my love to you, girl,
But you've got to give me a try.
Come on, trust me.
Babe, believe in me.
Oh,
You gotta trust me.
Babe, believe in me.
Oh...

I ain't lyin'.
I ain't lyin'...
Love ain't easy to come by,
And this I'm sure you know.
I'll give my love to you, girl,
But you've got to let yourself go.
Come on, trust me.
Babe, believe in me.
Oh,
I ain't lyin'.
I ain't lyin'...
Trust me.
Babe, believe in me.
Oh...

I ain't lyin'.
I want to hold you, babe.
I ain't lyin'.
I want to kiss you, babe.
I ain't lyin'.
I want to squeeze you, babe.
