

I Can't Leave You Alone

George McCrae

Baby
It happens when you're close to me
My heart starts beating-hey-a strong beat.
Oh
I can't leave you alone
Can't leave you alone

Oh
I can't leave you alone
Can't leave you alone
That's why I keep holdin' on
Keep holdin' on
Keep holdin' on
Keep holdin' on

Oh
Darling I can't resist your love no more
'Cause darling
I love you
I love you much
Too much.

Oh
I can't leave you alone
Can't leave you alone
Oh
I can't leave you alone
Can't leave you alone
That's why I keep holdin' on
Keep holdin' on
Keep holdin' on
Keep holdin' on.

Oh
I can't leave you alone
Can't leave you alone...
