

When We Get There

George Nozuka

We started this journey
With a simple kiss
Who would've thought that
Love could feel like this
Let me show you what
It's like to go somewhere
You'll be satisfied
Once we get there
I wanna be closer, I wanna be closer

You are, the reason
Why I wanna make this work
But I, believe it
I will always put you first
When we get there
When we get there
What it means to be in love

We ended this [?]
With [?]
I know I'm in heaven
When I'm with you
Everything you got is like magic
Losing your love will be tragic
I wanna be closer, I wanna be closer

You are, the reason
Why I wanna make this work
But I, believe it
I will always put first
When we get there
When we get there
What it means to be in love

Take a chance, no more games
Take a chance, that's the only way

I don't know what the answer is
I don't even have a clue
I'll spend the rest of my life
Chasing after you

You are, the reason
Why I wanna make this work
But I, believe it
I will always put you first
When we get there
When we get there
What it means to be in love
