

Beautiful Day for Goodbye

George Strait

Isn't it like her to look so pretty
Like everything is alright
Like nobody cried all last night
Look at the sun, ooh how it's shining
Almost a picture perfect day
Like nobody's going away

If it were just a little colder
She might need me to hold her
Wouldn't you know, the weather's perfect
There's not a cloud in the sky
It ain't raining or snowing
There's no cold wind blowing
It's a beautiful day for goodbye

Isn't it like me to wait til she's leaving
To know how I feel
I love her and I always will
In a second or more forever can change
So I'm standing here praying for rain

If it were just a little colder
She might need me to hold her
Wouldn't you know, the weather's perfect
There's not a cloud in the sky
It ain't raining or snowing
There's no cold wind blowing
It's a beautiful day for goodbye

Wouldn't you know, the weather's perfect
There's not a cloud in the sky
It's a beautiful day for goodbye
