

Calling From The Car

George Strait

He said, "Hello, Sue. I'm calling from the car
In a while, I'll be there where you are
Been working late tonight
But soon, I'll hold you tight
Goodbye."

And he said, "Hey, Renee. I'm out here on my phone
And I hate leaving you and driving home
Tonight, we had some fun
Baby, you're the one
Goodbye."

Then he said, "Hello, Linda
Do you remember?
We met last week at the Burning Ember
I must have the wrong number
Goodbye."

And he said, "Hey, Sheree. No, I'm not calling Jim
Let's act like I'm really calling him
I miss your pretty face
Same time, same place
Goodbye."

Then he said, "Hello, Sue. I'm calling from the car
Mix me up a drink. I'm not that far
It's 12:55
I'm pulling in the drive."
