

# Don't Make Me Come Over There and Love You

George Strait

Don't make me come over there and love you  
I'd be beside you in a single bound  
Don't make me come over there and love you  
'Cause I will right now

I don't need any explanation  
For why I crave all your honey talk  
Don't make me come over there and love you  
'Cause it's a short walk

You better tone down your persuasion  
Start behaving before I go and fall apart

My heart's been on a long vacation  
But now it's beating like a cha, cha, cha  
Don't make me come over there and love you  
'Cause I will right now

You better tone down your persuasion  
Start behaving before I go and fall apart

Don't make me come over there and love you  
Because it's looking like the perfect spot  
Don't make me come over there and love you  
And give all I got

Don't make me come over there and love you  
'Cause I will right now  
Yes, I will right now  
Don't make me come over there and love you
