I'm drinking champagne, feelin' no pain till early mornin'.
Dinin' and dancin' with every pretty girl I can find.
I'm having a fling with a pretty young thing till early mornin'.

Knowin' tomorrow I'll wake up with you on my mind.

Guilty conscience I guess, though I must confess I never loved you much when you were mine.

So I'll keep drinking champagne feelin' no pain till early morn in'.

Dinin' and dancin' with every pretty girl I can find. Havin' a fling with a pretty young thing till early mornin'. Knowin' tomorrow I'll wake up with you on my mind.
