## I Just Want to Dance with You

**George Strait** 

I don't want to be the kind to hesitate, Be too shy, wait too late I don't care what they say other lovers do, I just want to dance with you.

I gotta feeling that you have a heart like mine, So let it show, let it shine. If we have a chance to make one heart of two, I just want to dance with you.

I want to dance with you, twirl you all around the floor That's what they intended dancin' for, I just want to dance with you. I want to dance with you, hold you in my arms once more, That's what they invented dancin' for, I just want to dance with you.

I caught you lookin' at me when I looked at you, Yes I did, ain't that true? You won't get embarrassed by the things I do, I just want to dance with you.

Oh the boys are playin' softly and the girls are too, So am I and so are you. If this was a movie, we'd be right on cue, I just want to dance with you.

I want to dance with you, twirl you all around the floor That's what they intended dancin' for, I just want to dance with you. I want to dance with you, hold you in my arms once more, That's what they invented dancin' for, I just want to dance with you.

I just want to dance with you, I just want to dance with you, I just want to dance with you.
