

Nobody in His Right Mind Would've Left Her

George Strait

I burn with desire each time my heart fans the fire
To that old flame that burns inside of me.
She cried when I left her, now I cry to forget her.
Oh, how foolish I was to ever want to leave.

'Cause nobody in his right mind would've left her.
I had to be crazy to say goodbye.
Nobody in his right mind would've left her.
Even my heart was smart enough to stay behind.

I still carry her picture; I wish her well
With the new love I know she's found by now.
Each night finds me dreamin', each day I spend thinkin'
How much I wish she was still around.

'Cause nobody in his right mind would've left her.
I had to be crazy to say goodbye.
Nobody in his right mind would've left her.
Even my heart was smart enough to stay behind.

Even my heart was smart enough to stay behind.
