

# What Do You Say to That

George Strait

You're like the warm sunshine  
I think of you all the time  
I've fallen for you and that's a fact  
What do you say to that?

You're always in my dreams  
I think you know what they mean  
My heart knows this is real at last  
What do you say to that?

Life could never be the same without you  
Love was never really love without you  
Here beside you is really where it's at  
What do you say to that?

I promise I'll never leave  
I'll always want with me  
Loving you won't ever be old hat  
What do you say to that

Life could never be the same without you  
Love was never really love without you  
Here beside you is really where it's at  
What do you say to that?

You're like the warm sunshine  
I think of you all the time  
I've fallen for you and that's a fact  
What do you say to that  
My heart knows this is real at last  
What do you say to that
