

You're Right, I'm Wrong

George Strait

You're right, I'm wrong, I'm here, you're gone.
Now I'm the one to blame that our love's at an end.

I lied, you cried, I died inside.
Now I'll do anything to get you back again.
Step by step, night after night
I walk the floor until morning light.
Your leaving words still haunt my mind
'Cause I'm the fool who made you say goodbye.

You're right, I'm wrong, I'm here, you're gone.
Now I'm the one to blame that our love's at an end.

Day by day, time after time
I did not see the warning signs.
Now my beating heart keeps telling me
It hurts to know that I caused you to leave.

You're right, I'm wrong, I'm here, you're gone.
Now I'm the one to blame that our love's at an end.

Yes I'll do anything to get you back again.
