Boys go to Jupiter to get more stupider

Dates every weekend  
You kept on sleeping  
Over and over in my house got me thinking we  
Were falling' in real deep  
Yeah you  
Call when you're out late  
Text when you wake up  
Damn I even let you see me without no makeup  
I was planning our whole lives

Say give it time, say down the road  
But baby we got too close

So if you need space  
Then you should go to Jupiter  
'Cause loving you was stupid boy  
But losing me was stupider  
Yeah why'd you have to make  
You the center of my universe  
Yeah loving you was stupid boy  
But losing me was stupider  
So you should go to Jupiter

So you should go to Jupiter

I saw it in the stars  
I would have hung the moon  
Woulda drove to ya anywhere that you asked me to go  
Been your biggest fan at all your shows

I won't let you in if you walk out  
It might kill me if I see you around

So if you need space  
Then you should go to Jupiter  
'Cause loving you was stupid boy  
But losing me was stupider  
Yeah why'd you have to make  
You the center of my universe  
Yeah loving you was stupid boy  
But losing me was stupider  
So you should go to Jupiter

I didn't go to college  
I don't know much  
But I know you're missing out on some damn good love

So if you need space  
Then you should go to Jupiter  
Yeah if you need space  
Yeah if you need space  
Then why'd you have to make  
You the center of my universe  
Yeah loving you was stupid boy  
But losing me was stupider

So you should go to Jupiter

You should go to Jupiter  
Losing me was stupid
