

## X's

Georgia Webster

Walked 20 minutes to the bar in 30 degrees  
Just to get a, "Hell no", to my fake ID  
He said, "Do you really think that I'd ever believe  
A little thing like you was born in '73"  
Man, give me a break, ya know my hearts been broke  
He said, "I'll let you walk in if there's no Jack in your Coke"  
I said, "Fair enough, I'll tell 'em you didn't know"  
But then he pulled a Sharpie out of his coat

Now I got X's on my hands  
While my ex is on my mind  
I'll do anything I can  
Just to get a drink or 5  
Gimme just one night, just one  
Kissing the wrong guy sounds fun  
Might be a tad melodramatic  
But these exes  
Are ruining my life tonight  
Whoa, whoa oh  
They're ruining my life tonight  
Whoa, whoa oh

Now it's 12:45, I ain't feeling the vibe  
There were 10 whole minutes where I talked to a guy  
He was looking for a light, not to mention a wife  
Yeah, I was never his type

'Cause I got X's on my hands  
While my ex is on my mind  
I'll do anything I can  
Just to get a drink or 5  
Gimme just one night, just one  
Kissing the wrong guy sounds fun  
Might be a tad melodramatic  
But these exes  
Are ruining my life tonight

Whoa, whoa oh  
Does anyone know  
Whoa, whoa oh  
How to wash off permanent marker  
Whoa, whoa oh  
Does anyone know  
Whoa, whoa oh

'Cause I got X's on my hands  
While my ex is on my mind  
I'll do anything I can  
Just to get a drink or 5  
Gimme just one night, just one  
Kissing the wrong guy sounds fun  
Might be a tad melodramatic  
But these exes  
Are ruining my life tonight

Whoa, whoa oh  
Whoa, whoa oh

Whoa, whoa oh  
Might be a tad melodramatic  
But these exes  
Are ruining my life tonight
