

# The Thrill

Georgia

We like it when it lasts  
We drive it really fast  
It's been a long time  
Since I have opened wide

But we just seek a thrill  
Like chasing the mill  
You're working too hard  
And then those problems start

I'm not gonna say too much  
I've said it enough  
I wanna feel it again  
Seek a thrill

Don't throw it away (Don't throw it away)  
Away (Don't throw it away)

Last night I had a dream (Oh)  
That everything just stopped (Oh)  
The thrill of that thought (Oh)  
Starts counting down the clock  
And now I pour a fire  
Over something I desire

Nothing I can do  
To stop me from feelin' so blue  
I wanna feel it again  
Seek a thrill

Don't throw it away (Don't throw it away)  
Away (Don't throw it away)  
Oh

Away  
Oh  
Oh, ah  
Ah  
Oh  
Ah, look out, ladies, it's the thrill  
Ah, don't throw it away  
Ah  
Ah, it's the thrill  
Look out ladies, it's the thrill  
It's the thrill  
Ah, it's the thrill  
Ah, ah  
Ah, ah
