

Ultimate Sailor

Georgia

I'd be the ultimate sailor
Traveling the world to you
Even when the day is through
I'd jump from the waves in high heels
Jump from the waves in high heels
I'd jump from the waves

Might be a sensual sacrifice
To have the water by your side
I'd be the ultimate sailor
Traveling this world for you
Traveling this world for you
I'd travel the world

(I'd travel the world)

Traveling the world to you
Traveling the world to you
Traveling the world to you
Traveling this world to you, you, no

(Traveling the world to you)
(Traveling the world to you)
