

# Waves Of Devotion

Georgia

Have you swam so far  
Far enough to breathe  
Swim in the ocean  
Kicking my feet in waves of devotion  
Waves of devotion

Have you ever swam far  
Far enough to breathe  
Not so meant to dream  
Based in reality  
I saw a glimpse of hearts  
Caught in seaweed  
I notice now  
Maybe we will never be

So do you want me  
With the fire  
I'll take you home  
If you give me your devotion  
Do you high  
With the lows  
I will give you my heart  
If you give me your devotion

I kept you in all my dreams  
Loved you as hard as it seems  
Now I swim in the ocean  
Kicking my feet to waves of devotion  
I kept you with all my heart  
And I loved you within my dreams  
Now I swim in the ocean  
Kicking my feet to waves of devotion

Waves of devotion  
Waves of devotion  
Waves of devotion

I kept you in all my dreams  
Loved you as hard as it seems  
Now I swim in the ocean  
Kicking my feet to waves of devotion  
I loved you with all my heart  
Kept you in all my dreams  
Now I swim in the ocean  
Kicking my feet to waves of devotion

I kept you in all my dreams  
Loved you as hard as it seems  
Now I swim in the ocean  
Kicking my feet to waves of devotion  
I loved you with all my heart  
Kept you in all my dreams  
Now I swim in the ocean  
Kicking my feet to waves of devotion
