

Beer To Bed (Time To Kill)

Geowulf

He takes his beer to bed
I smell his cigarettes
I've been promising I'd never stay again
Every time I get a feeling
This won't be the last time that I'm in your bed
Pretending that it's more

Hold on I need a favour
Got some time to kill
I've got a pretty dress on
I just wanna feel
It's not the first time I've had a boy like you
In my bed

I heard you had your first heartbreak with someone else
You've been looking for a shoulder I can tell
I catch you crying in the morning
When you thought I wasn't looking
I've been overthinking
Is this something or do we just both wanna pass the time
It's ok if we wanna pass the time

Hold on I need a favour
Got some time to kill
You've got a sexy suit on
You just wanna feel
It's not the first time you've had a girl like me
In your bed

Been waiting for this thing to end
I'm still here
I thought that this was gonna end
I'm still here
Is that so crazy?

Hold on I need a favour
Got some time to kill
I know they said we're crazy
We both know it's real

Hold on I need a favour
Got some time to kill
I know they said we're crazy
We both know it's real
'Cause it's the first time we've both found love
