

# Only High

Geowulf

Why say "come here"  
At the end of the night?  
You don't hold me tight  
You don't hold me tighter

You said you loved me, but you were only high  
Addictive stranger, unholy guy

Why all the bother?  
Know you don't really care  
You don't hold me near  
You don't hold me closer

You said you loved me, but you were only high  
Addictive stranger, unholy guy

Only high  
Only high  
Only high

You said you loved me, but you were only high  
Addictive stranger, unholy guy

You were only high  
You were only high  
You were only high  
Oh, what a guy
