

## Summer Fling

Geowulf

Nothing you're obsessed with will ever be good for you  
Anything that leaves you breathless will choke you 'til you're  
blue

Too much to gain and way too much to lose  
A lover and a friend you know is no good for you

Summer fling took its toll on me  
Summer fling broke my mind  
Summer fling took its toll on me  
Summer fling broke my mind

Placed on a stool too high, it'll hide you from your worth  
My endearing eyes, it was never going to work  
Too much to gain and way too much to lose  
A lover and a friend you know is no good for you

Summer fling took its toll on me  
Summer fling broke my mind  
Summer fling took its toll on me  
Summer fling broke my mind

(It broke my mind)  
(And it broke my mind)

Summer fling took its toll on me  
Summer fling broke my mind
