

# Raindrops

Gerald Levert

Yeah yeah  
Oh, yeah  
Oh, oh  
Yeah, yeah

Forecast was cloudy, the chance of showers  
I had places to be, folks to see in about an hour  
Out the door, starts to pour, gotta make it there  
In a blur, there you were, couldn't shake you, baby

They say a little water won't hurt nobody  
And I know it was true when I saw it drippin' from your body  
Baby, I had to step to you  
And the rain made it sexy too

I saw you, you saw me  
I forgot about the raindrops  
The cloudy day went away, saw your face  
Forgot the raindrops

Love in the rain never appealed to me  
But seeing you just brought a change in me  
Just then and there, oh, what a fantasy, baby  
You soakin' wet and laying next to me

It was storming, it was pouring, girl  
You were so fine, felt like sunshine  
Talked for hours through the showers, girl  
Are we insane catchin' feelings in the rain, baby

I saw you, you saw me  
I forgot about the raindrops  
The cloudy day went away, saw your face  
Forgot the raindrops

All over me, baby  
Rain all over me, baby  
Rain all over me, sugar  
'Cause when I saw your face, oh  
Forgot about the cloudy days  
Raining on you babe, say

I saw you, you saw me  
I forgot about the raindrops  
The cloudy day went away, saw your face  
Forgot the raindrops

I saw you, you saw me  
I forgot about the raindrops  
The cloudy day went away, saw your face  
Forgot the raindrops

Say it was stormin', it was pourin', girl  
You were so fine, there was sunshine  
Talk for hours through the showers, girl  
Are we insane catchin' feelings in the rain, baby

I saw you, you saw me  
I forgot about the raindrops  
The cloudy day went away, saw your face  
Forgot the raindrops

I saw you, you saw me  
I forgot about the raindrops  
The cloudy day went away, saw your face  
Forgot the raindrops

Say now I'm thinking about making love in the rain  
Huh, never wanted, let them bother me now  
So I'm thinking about just seeing you in the rain  
Oh, yeah

Said I think about holding you in the rain  
Squeezing you in the rain  
Doin' things in the rain  
That I never thought I'd do, baby

That I never never never never thought I'd do, baby  
In the rain, yeah, whoa, the rain  
Aw, forgot about raindrops  
Falling on my face  
I wanna go outside, go outside in the rain
