

# Hello Little Girl

Gerry and the Pacemakers

Hello little girl  
Hello little girl  
Hello little girl

When I see you every day  
I say, hello little girl  
When you're passing on your way  
I say, hello little girl  
When I see you passing by  
I cry, hello little girl  
When I try to catch your eye  
I cry, hello little girl

I send you flowers but you don't care  
You never seem to see me standin' there  
I often wonder what you're thinkin' of  
I hope it's me and love, love, love  
So I hope there'll come a day when  
You say, you're my little girl

It's not the first time  
That it's happened to me  
It's been a long, lonely time  
And it's so funny, so funny to see  
That I'm about to lose my mind, mind, mind  
So I hope there'll come a day when  
You say, you're my little girl

You're my little girl  
You're my little girl  
Oh yeah, you're my little girl
