

Is It Love?

Gerry and the Pacemakers

Who can explain this feeling I feel
When your close to me like this
Is it love?

Then when I hold your hand in mine
Something happens to me
Is it love?

And why can't I sleep at night
Thinking, thinking of you, yeah
And why when your holding me tight
Oh help me what can I do

And then when I look into your eyes
I feel happy inside
Is it love?

And why can't I sleep at night
Thinking, thinking of you, yeah
And why when your holding me tight
Oh help me what can I do

And then when I look into your eyes
I feel happy inside
Is it love?
Is it love?
