

# It's Happened To Me

Gerry and the Pacemakers

People tell you that you can't find love  
Or you'll never find your turtle dove  
Don't believe a word of what they say  
'Cause when I met you, my love  
I knew, I knew it had happened to me  
It's happened to me

You can tell by the way I walk  
Or even tell it when I talk  
And I'm so proud it's plain to see  
'Cause when I met you, my love  
I knew, I knew it had happened to me  
It's happened to me

I don't mind telling everyone  
I'm proud to say you're my only one

So if they tell you that you can't find love  
Or you'll never find your turtle dove  
Don't believe a word of what they say  
'Cause when I met you, my love  
I knew, I knew it had happened to me  
It's happened to me, it's happened to me

So if they tell you that you can't find love  
Or you'll never find your turtle dove  
Don't believe a word of what they say  
'Cause when I met you, my love  
I knew, I knew it had happened to me  
It's happened to me, it's happened to me
