Gerry and the Pacemakers

Hey mama don't treat me wrong
Come an love your daddy all night long
Alright, hey-hey
Alright-mama, all night

Hey, see the girl with the diamond ring?
Good God, she knows how to shake that thing
Hey-hey
Hey, shake it girl
Shake that thing

Tell your mama, tell your pa
I'm gonna send you back to Arkansas
Alright, hey you don't do right
Don't do right, baby?
You just don't do your livin' right

Oh, look it at the woman with the diamond ring
Good God, she can shake it, she can shake it
Break a thing

What'd I say?
What'd I say?
What'd I say? yeah
What'd I say?

I wanna know
Honey, I wanna know
