

When Oh When

Gerry and the Pacemakers

You went away
I'm so alone
What am I supposed to do

When oh when
Will you love me
When oh when
Will you care

I try so hard
To make you happy
When oh when
Will I be there

When oh when
Will you tell me
When oh when
Why must I wait
To hear you tell me
That you love me

When oh when
Am I too late
Hey

You run away
I'm so alone
What am I supposed to do

When oh when
Will you love me
When oh when
Will you care

I try so hard
To make you happy
When oh when
Will I be there

When oh when
Will I be there
