

Where Have You Been?

Gerry and the Pacemakers

'Til we kissed I never knew that thrills that could be tasted.
'Til we kissed I never knew the years that I had wasted.

But now I know I was waiting, for you to come by..
I was waiting, girl..won't you please tell me why,
This took so long to begin..darling, where have
You been all my life?

Oh, don't you know that til we touched I never knew the
Touch was worth revealing.
Til we touched I never knew my heart was truly beating.

But now I know I was waiting, for you to come by..
I was waiting, girl..won't you please tell me why,
This took so long to begin..darling, where have
You been all my life?

Oh, darling, where have you been, where you been, where
You been when I was feeling blue? (Feeling blue?)
Where have you been, where you been, where you been,
When I was needing you?
Oh, where you been..where you been?

Cause now I know I was waiting, for you to come by..
I was waiting, girl..won't you please tell me why,
This took so long to begin..darling, where have
You been all my life?

Oh, darling, where have you been, where you been, where
You been when I was feeling blue? (Feeling blue?)
Where have you been, where you been, where you been,
When I was needing you?

Oh, where you been..where you been?
Oh, where you been, where you been?
