

Why Oh Why

Gerry and the Pacemakers

You passed me by
Oh, you made me sigh
Oh why, oh why, oh why?

You call my name
You're drivin' me insane
Oh why, oh why, oh why?

What is this certain thing about you
That makes my poor heart feel this way?
You came along and I was captured
That was my lucky day

You call my name
You're drivin' me insane
Oh why, oh why, oh why?

Well, you call my name
You're drivin' me insane
Oh why, oh why, oh why?

Oh why, oh why, oh why?
Oh why, oh why, oh why?
