

Lost love

Gesaffelstein

I've been looking for my love
My love for you
I've been looking for my love
My love for you
Oh, I've been looking for my love
My love for you
Yeah

I've been looking for my love
Yeah
It's nowhere to be found
Cool down, baby girl
Yeah

I've been looking for my love
My love for you
Oh, I've been looking for my love
My love for you
Yeah
