

Daddy Says

Gestört aber Geil

Your daddy says
Your daddy says
Your daddy says
Your daddy says

You're looking really shy
Sittin' there on the other side
What is that you hide so quiet?
You're beautiful blonde-haired
I thought we had so much share
Did I see something that wasn't there?

Hiding on the way, hiding on the way
Every word you say, every word you say
Hiding on the way, hiding on the way, don't say

You say you've never met someone like me
I think that it is highly unlikely
That someone else like me is going to try-y-y
I can't say what it is when I see you
There seems to be no way to get to you, why?

Did you ever stay out 'til the sun comes up?
Did you ever lie 'cause you weren't at home?
Why you always stuck doing what your daddy says?
Did you ever scream 'til your lungs are sore?
Did you ever kiss 'til you can't no more?
Why you always stuck doing what your daddy says?

I don't mean to cause you pain
But there is nothing else to say
There's always something else in the way
I'm trying
Come look me in the eye
Is there something else inside
That is worth for us both to find?

Hiding on the way, hiding on the way
Every word you say, every word you say
Hiding on the way, hiding on the way, don't say
You say you've never met someone like me
I think that it is highly unlikely
That someone else like me is going to try-y-y
I can't say what it is when I see you
There seems to be no way to get to you, why...

Did you ever stay out 'til the sun comes up?
Did you ever lie 'cause you weren't at home?
Why you always stuck doing what your daddy says?
Did you ever scream 'til your lungs are sore?
Did you ever kiss 'til you can't no more?
Why you always stuck doing what your daddy says?
