

# Hurricane

Gestört aber GeiL

You're a hurricane, ayy  
You put my heart in doubt, and my mind's on full replay, ayy

I don't know, I don't know what to say  
You're comin' back, but you don't wanna stay  
No, you don't wanna stay  
Five shots down, and you call my name  
Drive you home, you're on your phone again  
Yeah, is he a part of your game?

A little candle deep inside my heart  
You blew it out just  
To cover up the truth 'cause you got no love

You're a hurricane, ayy  
You put my heart in doubt, and my mind's on full replay, ayy  
What are you doin' with me? I'm goin' insane, don't wanna fall  
Into a trap just like before  
You're a hurricane, ayy, ayy

You're a hurricane

Say the words that I just need to hear  
I'm on your cloud, but then you disappear  
And all you leave is tears  
Pull me in just to spit me out  
You lay a fire and leave a drought  
Yeah, you tear everything down

A little candle deep inside my heart  
You blew it out just  
To cover up the truth 'cause you got no love

You're a hurricane, ayy  
You put my heart in doubt, and my mind's on full replay, ayy  
What are you doin' with me? I'm goin' insane, don't wanna fall  
Into a trap just like before  
You're a hurricane, ayy, ayy

I don't wanna let you go, no, I don't wanna give this up  
I just want you to know I'm up for this no matter what  
I don't wanna let you go, no, I don't wanna give this up, yeah  
Not until I find you, find you, find you, you're  
(Ayy)

You're a hurricane  
You're a hurricane, ayy  
You put my heart in doubt, and my mind's on full replay, ayy  
What are you doin' with me? I'm goin' insane, don't wanna fall  
Into a trap just like before  
You're a hurricane, ayy, ayy  
You're a hurricane
