

Misunfortunate (Lets Talk)

Get Scared

So let's talk
Sit down darling
Let's talk
Those green eyes could only get you so far
And I'm wrong
You know darling
I'm wrong
My mind is weak
And now it's wandered off

Hello misunfortunate
It seems you've lost it all
You've got the saddest eyes
The world has ever known
Darling wipe those tears away
And let the liquor
Course through those veins

Shh, you stumble to the bed
Your eyes are soaking wet
You better wipe the make-up from the lovely dress
Drink soft
No nightmares
You tiptoed around everyone who cared

So let's talk
C'mon darling
Let's talk
Those green eyes could only get you so far yah yah

Hello Mr. Fortunate
It seems you've got it all
You've got the best disguise the world has ever known
Drink up your nightmares
And let the liquor
Drown out your shame

So let's talk
C'mon darling
Let's talk
Those green eyes could only get you so far
And I'm wrong
I know darling
I'm wrong
My mind is weak
And now it's wandered off

Give up on love
I'm trustless
Give up on trust
I'm loveless
And now it's time to let you go
Give up on love
I'm trustless
Give up on trust
I'm loveless
And now it's time to let you go

So let's talk
C'mon darling
Let's talk
Those green eyes could only get you so far
And I'm wrong
I know darling
I'm wrong
My mind is weak
And now it's wandered off
