

It's Alright

Get Set Go

Oh, I'm never going to have a million dollars
I will always be bucolic but it's alright.
I'm gonna work 'til the day that I die
No I'll never retire but it's all right.

[chorus]

It's all right baby yes it's all right,
It's all right baby yes it's all right.
Just so long as I come home to you,
Baby it is all right
I will never be lonely
And when I'm with you there's nothing I won't suffer
through.
I'll say it one more time,
I'm dying slowly
But when I'm with you there's nothing I won't suffer
through.

Every day that I live is a day that I die
And it makes me cry but it's all right.
Every dollar I make is a dollar they take
But sugar let me tell you that it's all right.

[chorus]

It's all right baby yes it's all right,
It's all right baby yes it's all right.
Just so long as I come home to you,
Baby it is all right
I will never be lonely
But when I'm with you there's nothing I won't suffer
through.
I'll say it one more time,
I'm dying slowly
But when I'm with you there's nothing I won't suffer
through.

Fuck growing old,
Fuck feeling like a failure,
Fuck the things I own,
Fuck the songs I wrote, I'm going home
So I can be with you.

I'm sick of sucking on your dick, motherf**ker, for a
buck
But I'll tell you that it's all right.
I'll never be satisfied, I'll never be gratified,
But sugar let me tell you that it's all right.

[chorus]

It's all right baby yes it's all right,
It's all right baby yes it's all right.
Just so long as I come home to you,
Baby it is all right
I will never be lonely
And when I'm with you there's nothing I won't suffer
through.
I'll say it one more time,

I'm dying slowly
But when I'm with you there's nothing I won't suffer
through.
