

Please Destroy Me

Get Set Go

Kiss me, hurt me, don't desert me
Smack me 'round and do pervert me
Break me, take me, love me, hate me
Overwhelm and desecrate me

Please destroy me
Oh, please destroy me
Oh, please destroy me
I'm in love with you

Take my body, take my soul
Take the thoughts inside my head
You can masticate me whole
Just don't leave me 'til I'm dead

Take my joy and happiness (Please destroy me)
I can suffer so much pain (Oh, please destroy me)
So much hurt and crappiness (Oh, please destroy me)
You can drive the train soon (I'm in love with you)

Choke me, bleed me, just don't leave me
Screw me up and do deceive me
Smack me, whack me, sneak attack me
Punch me, kick me, slash and hack me

Please destroy me
Oh, please destroy me
Oh, please destroy me
I'm in love with you

You can puncture both my ears
You can gouge out both my eyes
You can drink my bloody tears
You can watch me as I die

You can drown me in a tub (Please destroy me)
You can poison me with lies (Oh, please destroy me)
You can beat me with a club (Oh, please destroy me)
Just don't leave me 'til I die (I'm in love with you)

Baby you're a bomb that's been dropped on me
You've been dropped on me, yeah, dropped on me, yeah
Baby you're a bomb that's been dropped on me
You've been dropped on me, yeah, dropped on me, oh

Please destroy me
Oh, please destroy me
Oh, please destroy me
I'm in love with you

Take my heart and stab it through
Fill my lungs with rancid air
There is nothing you could do
To convince me not to care

So soak me through with gasoline (Please destroy me)
And make weapons torched to me (Oh, please destroy me)

Baby, although I might flee (Oh, please destroy me)
You will never hear the scream (I'm in love with you)

Murder everything I am (Please destroy me)
Grind me into dust so fine (Oh, please destroy me)
You can do most anything (Oh, please destroy me)
Just so long as you are mine (I'm in love with you)
'Til the other end of time
