

Dominant Predation

Get The Shot

Damnation will come for the weak
Resistance is useless you won't put me to sleep
No justice, no peace to be found
Don't try piece of shit there's no love living around

All the rats talk but can't deal with their fate
I see them wolves turn into lambs every goddamn day

I don't fake it I was born to be
The ruling assassin 'mongst the gutless sheep
Yeah, that's right
No matter what you're still

Destined for suffering
Pest to eradicate
Destined for suffering
Slaves in a world of hate
Destined for suffering
Gasp for your final breath
Destined for suffering
Pray for your fucking death

So you think you can fire shots and build back bridges?
Watch me burn them while you're begging
Sucker

The walls are closing in
Better run motherfucker

Run for cover, watch your back
Annihilation's on
Life is over, death is promised
All redemption's gone

Quebec city dropping down every pussy ass cowards who stand in the way
Ain't here to take part, we're here to take over motherfuckers

Wash your mouth
Wash your fucking mouth
Wash your mouth
Wash your mouth
Wash your fucking mouth
With a shotgun

Wash your mouth with a shotgun
Wash your mouth wash your mouth with a shotgun

You played the wrong game
Now meet the devil bitch
Wash your mouth wash your mouth with a shotgun

Never forgiving always preying on the back-stabbers
Time to set it all straight
Guess you're too blind to see
The hammer of doom is coming down on your scum breed

Destined for suffering

Pest to eradicate
Destined for suffering
Slaves in a world of hate
Destined for suffering
Gasp for your final breath
Destined for suffering
Pray for your fucking death

Motherfucker
Fuck that neutrality
Paleface Swiss, get the shot
We came to fucking destroy you son of a bitch

Never bow to your enemies

And do you really think we wouldn't do it?
Then you have no fucking idea who you wanna fuck with
Can you hear the dogs?
Oh, you better fucking run now
You better run

Dominant predation
You're destined for suffering
You're destined for suffering

When you live by the sword, you die by the fucking sword you stupid fuck

Wash your mouth with a shotgun
