

## Do It Like a G.O.

**Geto Boys**

[phone conversation]

[Willie D]

Underground Master speaking

[Lil J]

Yo D, what's up?

[Willie D]

Just chillin man, what's up?

[Lil J]

Give them Geto Boys a ring, man

[Willie D]

Hold em down

[DJ Akshen (Scarface)]

Geto Boys

[Lil J]

Hey

[DJ Akshen (Scarface)]

What's up J

[Lil J]

Yeah man, I got Willie D on the other end

[DJ Akshen (Scarface)]

What's up Will?

[Willie D]

What's up now, what's up fellas?

[Lil J]

Say fellas...

I been kickin a few lyrics in the back of my mind, man

And I'm tired of motherfuckers disrespecting us

because we're black-owned and won't sell out

(Word)

So check this out

We need to get together

and go to that other level of the game

and do it like a G.O.

[DJ Akshen (Scarface)]

Say no more, J, we're on the telephone

[Willie D]

We get them motherfuckers, man

[Bushwick Bill]

I'm back like a rebel 'making trouble'

I'm an Assassin, kickin ass on the double

No motherfucker alive's gonna stop me

So fuck you and your goddamn posse

[Willie D]

It's time to step on some motherfuckin toes

(Nah D!) Man, fuck them hoes

The East Coast ain't playin our songs

I wanna know what the hell's goin on

Gimme my card, radio sucker

I'll kick your ass and take the motherfucker

Everybody know New York is where it began

So let the ego shit end

[DJ Akshen (Scarface)]

Black radio is being disowned  
Not by the other race, but its own  
A lot of bullshit records make hits  
Because the radio is all about (politics)  
Akshen is my identity, whoever you be  
(Don't) (don't) (don't fuck with me)  
My last go, the radio struck me with a low blow  
Now I'm doin it like a G.O.

(Go, go, go, go, go...)

(Let's make em an offer they can't refuse

(Go, go, go, go, go...)

(You wanna go to war? We'll take you to war, okay?)

[Willie D]

Everybody's coming with guns  
Niggas gettin pimped by Columbians  
They put 'em on the streets like a bitch  
Nigga's slangin but the Puerto-Rican gettin rich  
I never sold the mess  
But if I did, it would be for my goddamn self  
Can you adjust to the wholesale bust  
Bushwick, tell these motherfuckers what's up

[Bushwick Bill]

When will you stupid motherfuckers learn  
In this game one way or another you get burned  
You end up behind bars  
Or lyin on your back in a motherfuckin morgue  
And your gal'll find another nigga  
Cause the low-actin bitch ain't nothin but a golddigger  
I'll fuck her but my money is a no-no  
(Why?) I'm a hoe so I do it like a G.O.

(Go, go, go, go, go...)

(Let's make em an offer they can't refuse

(Go, go, go, go, go...)

(You wanna go to war? We'll take you to war, okay?)

[DJ Akshen (Scarface)]

Fucked up politics  
Those tie-wearin bitches can suck my dick  
They try to ban my style of teachin  
But freedom of speech allow me to keep speakin  
To the people about shit like racism  
It's deep into the heart of the school system  
Whites get more funds from the state  
And this is why minorities learn so late

[Willie D]

Some of us make it to college  
And take a test to the highest degree with limited knowledge  
Most of us won't pass the bitch  
And those rotten-ass motherfuckers know this  
I'm not Malcolm X or Farrakhan  
After this one, I'll guess I'll have to pack a gun

So if you wanna fuck with this brother  
You better be ready, motherfucker  
You're gonna have to G.O.

(Go, go, go, go, go...)

(Let's make em an offer they can't refuse

(Go, go, go, go, go...)

(You wanna go to war? We'll take you to war, okay?)

[Willie D]

Willie D is not a biggot and he won't be  
I just educate minds through reality  
This ain't no motherfuckin 'back to Africa'  
Try to pull that shit, we'll have a massacre

[DJ Akshen (Scarface)]

Our ancestors were killed at will  
Bought and sold like a used automobile  
We fought back to exist  
Now we're killin one another, ain't that a bitch?

[DJ Ready Red]

Ready Red, comin at ya  
Holdin my ground like a motherfuckin statue  
You take nothin from me, so stop trippin  
'less you wanna take a motherfuckin ass whippin  
Bitch, motherfuck the KKK  
Wearin dresses and shit, what the fuck, is they gay?

[Willie D]

A colorblind society we'll never be  
Unless we agree (in harmony)  
To do it like a G.O.

[phone conversation]

[Lil J]

Rap-A-Lot

['President of White Owned Records']

Hey Jay, this is the President of White Owned Records  
We see you're still survivin  
But wanted to ask you to keep your boys quiet  
If you don't, we will  
Or here's another alternative  
We take 95% of your company and you take 5  
and we'll make you famous for 15 years  
It would take you lifetime by yourself  
because you know your people don't stick together  
What you say about that, boy?

[Lil J]

Man, fuck you

['President of White Owned Records']

I would advise you not to talk to me like that, boy  
Just who the hell you think you are anyway?

[Lil J]

I'm Lil motherfuckin J

I ain'ts to be fucked with

And if you wanna go to war, I'll take you to war
