**Geto Boys**

[J. Prince:]

Mmm, mmm, mmm, this was a long mission  
You know they say all good things must come to an end  
But they forgot all we have to do is rewind  
Yeah, this is Lil J and we're about to close shop  
But before I go, I gotta let you know who the Bring It On members are  
Because radio and video discriminate against some of these guys  
Because they're so hard and so dope  
So I'm gonna name the first to the last rapper  
2 Low, Seagram, TMT, 5th Ward Boyz, Odd Squad, Ganksta NIP, DMG  
3-2, Big Mello, Face2Face  
And to those of you that's interested in the crookedness of the system  
Go and buy the Underground Lawyer written by Michael Minns  
Now I have to give credit where credit is due  
And I just never been in the middle of a jungle with style  
With a big bowl of Gumbo Funk until I met Joe and my nigga Bido  
Y'all some dope producers  
And to all my brothers out there who thinking about getting in this rap business  
It's a smart move  
You got good product, get with me, and let's make some things happen
