

This Dick's for You

Geto Boys

[Big Mike]

This goes out to you H-O-E's
Swangin on the nuts of us motherfuckin G's
You ain't never seen a nigga like me baby
Big Mike aka Big D D
Big dick daddy, droppin you hoes in the sack
Bustin nut after nut on your motherfuckin back
If your nigga wants to make love to you, cool let a nigga know
Cause a nigga like myself just wana fuck you hoe
And if you don't want him to know I won't snitch
You can be his girl but you know you'll always be my bitch
My freak my hoe my tramp my moneymaker
Keep yo bitch right or a nigga like myself will take a smooth
Off the S-L-A-B
And why you trippin you know your bitch will be rollin with me
So to ladies and everyone throughout your crew
Give a smile in the mean watch out
This dick is for you

[Chorus]

I, bitch I just want to fuck you
Dick, sucked the whole night through
Ass, licked as if I was a star
This dick is for you baby; wherever you are, hey

[Bushwick Bill]

Bitches I scoop them up like jacks
Stack them like racks and send them home with their pussy off tracks
Cause they be figuring me to be a light weight
But if it gets 'em into the bed, then that's OK
Cause when I get them, I'm doin damage to that pussy hole
Not only do I fuck the body, but I fuck the soul
What other nigga do you know that can handle this
Hijack the pussy from the back and dismantle it
It sounds kind of difficult, but it ain't
The only difficulty that occurs is when the pussy's stank
Cause then I'm a have to send you home and throw you in a ditch
Or leave you for the garbage man you unsanitary bitch
So spread your legs wide open boo
And let a nigga like me get down, cause this dick is for you

[Chorus]

[Scarface]

Bitches say I talk bad cause I'm real
And to me expressin myselfis tellin a bitch just how I feel
I had a couple of women in my life but yo
In 1992 I realized that they was hoes
Cause hoes will straight up do hoe shit
Bitches even more shit
And ladies will give you no shit
So I kicked back and played the hand that I was dealt
Peep game in the mix, and let these hookers play themself
Cause 80 percent of the bitches I meet ain't shit but money bandits
I front like I'm giving up bank
Stick dick in they ass, and leave 'em stranded
But for women, I got a better tactic cause I love them

They come to Mr. Brad cause their mistreated by their husbands
So I hook up shit to make it right
Just call me tonight
And I'll make sure that everything runs tight
Cause if he don't appreciate you boo
The way that I do
You need to let him run back to his crew
Cause he don't understand what you goin through
But regardless to who I screw
This dick is for you

[Chorus]
