

Bad Acid

Getter

"There are drugs that cause spatial schizophrenia, manic depression..."

"So, uh, tell me again about those unreal experiences"

"It's like it sneaks up on me doc... Everything, it's so real"

"Well let's try a different hypnosis this time"

"What's that?"

"Oh no, it's coming back again, I can feel it"

"Don't be afraid, you have nothing to fear"
