I use to trust a bitch, yah Now I don't trust no bitch I use to fuck with cliques, yah Now I don't fuck with no clique, yah I use to fuck with hoes Now they don't get no dick, yah I'm all alone again I'm all alone again, yah I use to trust a bitch Now I don't trust no bitch I use to fuck with cliques, yah Now I don't fuck with no clique, yah I use to fuck with hoes Now they don't get no dick, yah I'm all alone again I'm all alone again, yah I'm just a lonely kid Who's all alone again Fucking up everything I begin I never finish it I'm sleeping in and hoping I don't wake But I do at 4 PM It's time to face the day in pain I'm waiting for the end I'm suffering Living and breathing is draining my spirit, I must be gone I dream of a suicide but only to see what's beyond Physical matter and everything like hate and greed and feeding ego You burned that bridge down Now I don't believe in shit now I'd rather be desolate I use to trust a bitch Now I don't trust no bitch I use to fuck with cliques, yah Now I don't fuck with no clique, yah I use to fuck with hoes Now they don't get no dick, yah I'm all alone again I'm all alone again, yah I use to trust a bitch Now I don't trust no bitch I use to fuck with cliques Now I don't fuck with no clique, yah I use to fuck with hoes Now they don't get no dick, yah I'm all alone again I'm all alone again, yah I'd give anything to get away from you I'd give anything to get away from you

I'd give anything to get away from you

I would give anyth	ing to get away from	n you
