

# Blood

Getter

I can feel the fluid fillin', fillin' up my lungs, say yeah  
Loaded up my charismatic gun, say yeah  
Go and put your lighters in the air  
I'm seein' so many here  
And we all wanna scream "fire"

Beat 'em up, adrenaline, I'm on 'da loose  
Every little something I like I do  
Now go and put your diamonds in the air  
I'm seein' so many here  
So aim them higher

My blood is in the air  
My blood is in the air

Tell me what you're so afraid of  
This is the blood we are made of  
Freedom is something you find  
When you turn off the lights  
Nobody can save us  
I got a feeling, you know  
So I'm boiling under your bones  
Tell me what you're so afraid of  
This is the blood we are made of

My blood is in the air  
My blood is in the air  
In the air
