

Heartless

Getter

Cut my heart out
We'll never work it out
But we keep trying
And you keep crying
Feels like I'm frozen
You think I'm chosen
Please, don't start this
Baby, I'm heartless

Please, don't start this
Baby, I'm heartless

Cut my heart out
We'll never work it out
But we keep trying
And you keep crying
Feels like I'm frozen
You think I'm chosen
Please, don't start this
Baby, I'm heartless

Baby, I'm heartless
Baby, I'm heartless
Baby, I'm heartless
Baby, I'm heartless
Baby, I'm heartless
Baby, I'm heartless
