Nananananananana woo..

Hey nanana nanana nanana nanananana
Nanana nanana you're my buddy
Nananana nanana nanana nanananana
My sweetly lover is you woo..

I remember
You resembled the white snow
You just
Need to slowly walk to me

When you're struggling and tired at times
Just softly lean on me
Let's draw our dreams in the sky same
For your love

Do you remember? soft like the white snowflakes
I held your hands
There are still so many days remaining for us
I promise you with the twinkling stars and the sky
I'll be your buddy

I remember
The day we first locked eyes
You just
Need to come to me with that bright smile

I kept
Looking for you, turning my head no oh oh
You and I
As we hold hands
We will be friends forever

Do you remember? soft like the white snowflakes
I held your hands
There are still so many days remaining for us
I promise you with the twinkling stars and the sky
I'll be your buddy

Times you dreamed of
Let's make them together
We laughed and cried in the precious memories
Remember that we are one

Nanana nanana nanana nananana
Nanana nanana you're my buddy
Nanana nanana nanana nananana
My sweetie lover is you woo..
