Ooh hoo hoo ooh hoo hoo  
Ooh hoo hoo ooh hoo hoo  
Is it my first love?  
When I see you, my heart pounds  
Without anyone knowing  
Out of all those people

It's only you  
Only you entered my heart

I want a miracle tonight  
The small stars in the night sky  
When they fell one by one  
I gathered my hands and prayed

I want you, I can't believe it, secretly  
Wanna be your one way, this heart is forever  
In the same place, just us two  
I hope we'll dream one dream

Ooh hoo hoo ooh hoo hoo  
Pit-a-pat one love  
Ooh hoo hoo ooh hoo hoo  
Pit-a-pat one love

It increases one by one  
Your spot in my heart  
I've never even thought about this  
But day by day, things change  
My face shows it all  
All day, I have a smile

Destiny is changing little by little  
Thee small fluttering blows with the wind  
I'm sending each wish with it  
That you'll love me too woo yeah

I want you, I can't believe it, secretly  
Wanna be your one way, this heart is forever  
In the same place, just us two  
I hope we'll dream one dream

I just need you  
Just love me  
Come to me and hold me tight  
Protect me  
Baby until always oh yeah

I want you, I can't believe it, secretly  
Wanna be your one way, this heart is forever  
In the same place, just us two  
I hope we'll dream one dream
