

Crash & Burn

GG Allin

I'm goin' crazy
I'm a void
I'm blackin' out all the time
Damn I couldn't make out the time
No time
No time
Somethin' ain't right
Somethin' ain't right
I'm freakin' out again
Manic depression
Hypertension
I don't know...coming down
Comin' down over
Can't figure out where I am
I don't know
I don't know
But you know I don't care
I don't care
Don't care
Don't care
Speed to crash
Crash and burn
Yeah well yeah yeah
Well I call the number on the telephone
I saw it on the television screen
It said call them...call
I called 'em up
All they said to me
All they said to me was
You're fuckin' crazy
You're fuckin' insane
You're fuckin' crazy
Brain damage
So what the fuck else was I gonna do
No where else to go
No
And I wouldn't go there anyway
On the night I died
I saw a vision
Nobody cared
Down in trash and anywhere I live
Who's found
Didn't matter too much
Cause I was goin' down
Goin' down
Goin' down
Goin' down
On the wild side of town
Where the meat is found
Yeah dog eat dog
An eye for an eye
There I live and I die
You...you fuckin' knew it anyway
You pay
You pay
